

GlobalBBQ is an annual celebration of people who enjoy trying new foods from around the world and the communities and cultures that prepare them. GlobalBBQ19 is a one-of-a-kind event celebrating the diverse cultures in the Pittsburgh region.

This summer bash invites people of all ages to support Pittsburgh’s international community by enjoying ethnic food, drinks, games, music, and more!

As a grand prize for the event, Delta Airlines has donated a pair of round trip airfare.
